What you need to know…..

Parking
There is no parking at the ROM. Please see the map for nearby parking lots.

TTC
Please note that Museum subway station has no elevators to street level. If you have a stroller, get off at St. George subway station, exit through Bedford street and walk over to Philosopher's Walk (park behind the ROM) to access the President's Choice School Entrance (see map).

Strollers and Carriers
There is supervised stroller parking near the reception area. Baby carriers or slings are encouraged as it makes it easier to move throughout the building as a group. However, strollers are still welcome.

Food and Beverages
No food or beverages permitted in the galleries – only bottled water. You can bring snacks for your child but they can only be eaten in the reception area. No nuts please! No refrigeration or heating facilities are available. Coffee, tea, juice, water, cookies and fruit will be provided after the gallery lesson in the reception area.

Baby Changing Tables
All washrooms at the ROM are equipped with a baby change table.

Missed Classes
As most classes run at capacity and there are space constraints, we are unable to offer make-up classes or transfers to other days or sessions. There are no credits, discounts or refunds for missed classes.
