

# Summer Club | 2012

# GETTING STARTED

One of the city's most creative and diverse summer camps for over sixty years, we offer an exciting array of fun, activity-based programs inspired by the collections and research of a world-class museum. Our huge variety of offerings ensures that you'll find a program to match your interest and abilities. The ROM's fascinating galleries, authentic artifacts and outstanding professional staff guarantee that your camp experience will be hard to beat.

But, don't delay – sign up early. Our programs fill up quickly! Check the registration form at the back of the brochure for session dates and course offerings for your age group.

**Registration begins  
February 13.**

Exclusive sign-up period for ROM members only until February 12.

## NEW THIS SUMMER

This summer, Summer Club participants will enjoy unlimited access to the greatly anticipated special exhibition *Dinosaurs: Giants from Gondwana*. They will walk amongst some of the biggest and most unusual dinosaurs ever to have roamed the earth, including the 100-foot long Futalognkosaurus! Exploring dinosaurs from of South America, Africa, and Madagascar, visitors will become experts on everything from continental drift, to dinosaur evolution, and the marvels of our dynamic planet. Using augmented reality, they will even get to witness a fearsome face-off between Giganotosaurus and T-rex!

For current information on special exhibitions and galleries please visit [www.rom.on.ca](http://www.rom.on.ca).

## CLASS SIZE & INSTRUCTORS

Classes are limited to 20 children. Staff ratios are 6:1 for 5 year-olds, 8:1 for 6-7 year-olds, and 10:1 for children 8 and older. Instructors hold degrees or diplomas and have professional and teaching experience. Instructor Assistants are senior secondary school or university students who have extensive experience in educational programs. Each group also has two or more volunteers to provide additional support.

To request a volunteer application, please e-mail [studio@rom.on.ca](mailto:studio@rom.on.ca) or call 416.586.8043. Volunteers must be at least 16 years old.

## ENTRANCE TO THE MUSEUM

Is via the President's Choice School Entrance at the south side of the building. Go down the small set of stairs between the Museum and the Planetarium and through the first set of glass doors on the right. You will be greeted inside these doors.

## DROP-OFF & PICK-UP

There is no parking available at the Museum. There is a school bus loading zone along Queen's Park on the east side of the ROM where you may drop-off and pick-up your children briefly. Parking your car in this area and/or blocking the TTC stop are considered by the police to be parking violations and you may be ticketed. The Museum assumes no responsibility for such violations nor can we assist you with parking tickets.

The TTC also stops at our door on both subway and surface routes. Call 416.393.INFO for details.

## SUPERVISED DROP-OFF

Summer Club Staff are available from 8:30 to 9 am at the school bus drop-off zone on the east side of the ROM on Queen's Park, and at the turnstiles in the Museum TTC Station to escort campers to their morning groups. Staff can be identified by staff shirts and badges.

## EARLY BIRD FILMS

Drop off your child between 8 and 9 am for our free early bird films that are offered before official programming begins.

# YOU NEED TO KNOW (CONT)

## LUNCH

Afternoon and full-day participants have a supervised lunch in *Philosopher's Walk* (weather permitting) behind the Museum. Children should bring their own bag lunches, drinks and snacks. **No nuts please.**

## DAILY SCHEDULE

Programs are two weeks in length (one week during session 5), daily Monday to Friday.

**Morning Programs** run from 9 am to 12 pm.

**Afternoon Programs** run from 1 pm to 4 pm (following a supervised lunch from 12 to 1 pm).

**Morning** combined with **Afternoon Programs** or **Full-day Programs** run from 9 am to 4 pm (including a supervised lunch in the park behind the museum, weather permitting, from 12 to 1 pm).

**Supervised** mid-morning and mid-afternoon **breaks** take place outdoors in the park behind the Museum, weather permitting.

Children bring their own lunch and snacks. **No nuts please.**

Typical daily programs begin with a visit to a Museum gallery that sets the context for a creative project or experiment in the Museum's studio, classrooms or labs.

*Busing is not available.*

## EXTENDED CARE

**4 to 6 pm:** Extended care, consisting of relaxed, supervised activities, will be available for a limited number of children enrolled in afternoon or full-day options. # MORNING OPTIONS

## Big Fun

Age 5

Titanic T-rex, towering totem poles, monumental Chinese tombs and massive mastodons are some of the ROM's really big things. Let the magnificence of these objects move you to create monster murals, super sculptures and larger than life-size chalk art while having a humongously great time.

## Dinosaur Dictionary

Age 5

Albertosaurus, Barosaurus, Corythosaurus... it's time for ABC's Dinosaur style! Using your imagination and some amazing art techniques, build your very own Dinosaur Dictionary as you get to know the ROM's biggest and oldest residents. While you're at it, see what animals today can tell us about our prehistoric friends.

## Prehistoric Pals

Age 5

Go back in time and get to know extinct animals like the massive mastodon and mighty T-rex. From what they ate to how they moved, there's a lot to learn about our new friends. We'll dig for fossils, walk like a dinosaur and recreate a habitat fit for our prehistoric pals.

## ROM Romps

Age 5

Join us on a romp around the ROM as we explore the fun and fantastic galleries the ROM has to offer. Dig for dinos, explore Egypt, and mingle in the Ming tomb. Have fun in a different gallery everyday, hear about the adventures of Kings, Queens, and Critters, and create amazing art projects to take home to remind you of your own ROM romp!

## Wondertales

Age 5 & 6-7

Take a journey across the continents as you listen to wondrous tales from around the world. The Museum's galleries will set the scene for re-enacting stories of ambitious animals, proud princesses, tricky spiders, and spur you on to spin your own fabulous yarns.

*Also offered in the afternoon for ages 6-7*

# MORNING OPTIONS (CONT)

## Animal Antics

**Ages 6–7**

Leaping lizards! The ROM is just full of all kinds of fascinating critters—from scaly snakes to bustling beetles to fuzzy fruit bats. Using artwork, creative play, costumes and real scientific specimens, you'll explore the animal kingdom as you scan the Savannah for bison and antelope, or discover what's lurking in your own backyard. It's everything you need to know about your favourite wild (and not so wild) animals.

*Also offered in the afternoon*

## Dino Hunters

**Ages 6–7**

Join our party of junior palaeontologists and safari back to the age of giant reptiles to track down our fabulous collection of dinosaurs, including Tyrannosaurus rex! Construct a flying Pterosaur, dig for Hadrosaur bones and reconstruct a dino-habitat. From lumbering long-necked titans to speedy carnivores, you'll sharpen your expertise on these Mesozoic monsters.

*Also offered in the afternoon*

## Eew & Awe

**Ages 6–7**

Are you ready for two weeks of ooey, gooey, icky, sticky, slimy and smelly adventures? Get ready to discover amazing facts from history and nature that are guaranteed to make your skin crawl. Try your hand at creepy crafts, revolting recipes and squishy science experiments. You'll learn the ins and outs of mummification, peer inside an owl pellet, sniff smelly minerals and meet a spindly-legged stick bug all while having gross amounts of fun!

*Also offered in the afternoon*

## Clay Days

**Ages 6–7 & 8–10**

Get ready to spend your days working with clay! Your talented instructor will guide you in creating masterpieces like amazing ancient drinking vessels and cool creatures. Prepare to enter the wild world of slipping, scoring, pinching, pressing, glazing, and texturing your way to becoming budding ceramic artists.

# MORNING OPTIONS (CONT)

## Finders Keepers

Ages 6-7

Search the ROM's collections from top to bottom to discover extraordinary objects from ancient civilizations, zany creatures from the natural world, and some of the Earth's most precious treasures. Meet a mossy frog, examine some peculiar fossils, and read ancient Egyptian hieroglyphs. Document your discoveries and preserve your memories in a Museum-inspired scrapbook.

*Also offered in the afternoon*

## Egyptomania

Ages 6-7 & 8-10

Combine the magic of the Nile with your own creativity and brush away the sands of time in ancient Egypt. Unravel the mysteries of pyramids and sphinxes and discover how these fascinating people lived and died thousands of years ago. Assemble an Egyptian outfit, mould a magical shawabti, and find out first-hand why pyramid building is no easy task.

*Also offered in the afternoon  
Afternoon only for Ages 8-10*

## Heroes & Heroines

Ages 6-7

Thrill to exciting stories from around the world as you meet gallant knights, quick-witted damsels, brave Samurai women, and daring Greek adventurers. Learn how to outsmart a dragon or discover how a muskrat can save the world. Bring these exciting adventures to life through drama, puppetry, and one of a kind works of art.

*Also offered in the afternoon*

## Mighty Mariners

Ages 6-7

Ahoy there, mateys! It's time for an ocean adventure! Using the ROM's galleries, we'll discover the secrets of the waters that cover most of our planet. Join us as we explore all things ocean, including underwater creatures, birds and the legends that only such a wild frontier can hold.

*Also offered in the afternoon*

# MORNING OPTIONS (CONT)

## Simple Science

Ages 6–7

Take a simple approach and explore the scientific principles behind everyday life. Try easy experiments with gravity, learn how plants and animals use chemistry to convert food to energy, explore how sound travels, and discover why the colour green is green. You'll gain a greater appreciation of how the world really works and how science can explain things we take for granted.

## Spaces & Places

Ages 6–7

Be inspired by the ROM's transformed spaces and places. Explore new galleries and old. Creep through a bat cave, explore a Ming general's tomb, visit spaces where pterodons soar and dinosaurs roam. Learn about amazing architecture from ant hiss to ancient fortresses, then construct your own marvelous models for home.

## Ancient Cities

Ages 8–10

Travel in the footsteps of Alexander the Great, Gilgamesh and other adventurers as you uncover the greatness of ancient cities and civilizations. Along the banks of the Nile River, across Roman roads, up the steps of Greek temples, you'll witness discoveries that became rooted in the modern world. Get your hands on history as you tackle timely technologies, try your hand at clever experiments and conquer your own empires.

## Combo Clay

Ages 8–10

Create mixed media masterpieces as you explore different techniques of hand building with clay. By combining paint, paper, plaster, and textiles with clay you'll create funky and even useful objects d'art, inspired by the ROM's galleries.

# MORNING OPTIONS (CONT)

## Dino Detailers

Ages 8–10

This summer, flex your artistic muscle while boning up on your dinosaur anatomy. Examine real fossils and casts to learn about dinosaur skeletal structure, musculature and skin details. Use a palaeontologist's tool kit to make discoveries about dino diet, hunting, and parenting techniques. Have a Jurassic amount of fun sketching, painting, and sculpting your way towards the creation of a single elaborate dinosaur model.

## Dragoneers

Ages 8–10

We all know that dragons never really existed... or did they? Explore the ROM's galleries and discover depictions of dragons throughout history. Travel out into the wild to observe some modern-day dragons in their natural habitat. Conduct some scientific experiments to discover the best way to help our dragons to fly, and put together a guide on how to train your very own ROM dragon.

*Also offered in the afternoon*

## When in Rome

Ages 8–10

What do the alphabet, Valentine's Day and the flush toilet all have in common? Why they all have their roots in Ancient Rome! Visit the newly renovated Roman Gallery on this journey through history while making a lucky "bulla", creating a mosaic design and learning the game of "knucklebones". Explore the culture and legacy of this once great civilization.

## Green Team

Ages 8–10

Go Green! Join the team and learn how we can prevent pollution and help the environment around us. Learn about habitats at risk, and put your creativity to work as we Re-use and Recycle our way to amazing art projects that raise awareness and Reduce our impact on our natural resources.

*Also offered in the afternoon*

## My Museum

Ages 8–10

Every object has a story. Now's your chance to tell it! Stretch your imagination as you explore ROM galleries and tell the story of your museum. Use storytelling, art and drama as you build an adventure of your favourite things in the ROM for family and friends. From the fascinating true-life stories of how specimens were collected in the field, to fanciful interpretations of how objects like the marble camels feel about all the kids that walk by, there's no limit to the tales you can weave about the Museum. After all, it's yours to discover.

*Also offered as a Full Day program*

## Star Gazers

Ages 8–10

Prepare to be star struck as you master the basics of space exploration. Discover the magic of the northern lights, create a cosmic comet, and plan your own space mission to Mars! Your astronomical adventures in the Starlab mini-planetarium will inspire crafts and activities that are truly out-of-this world.

*Also offered as a Full Day program*

# MORNING OPTIONS (CONT)

## Science Frontiers

**Ages 8–10**

Delve into the world of high-tech laboratories and fascinating field research. Visit working labs, conduct your own scientific studies, and head outdoors on collecting expeditions. Get hands-on experience with the current tools and technologies used in the fields of anthropology, palaeontology, conservation biology, botany, and zoology. The sky is the limit as you consider future discoveries in these exciting fields.

*Also offered as a Full Day program*

## Stones & Bones

**Ages 8–10**

The Earth is a mysterious place. Every time we learn something new, it only leads to more questions! Prepare to have your questions answered! We'll use human skulls to explore 3.5 million years of human history. Experiment with different rocks and minerals and learn why some glow in the dark. Touch real meteorites as we recreate the birth of the solar system. Examine dinosaur bones to discover the true fate of the dinosaurs. Our hands-on experiments, activities, and projects will leave you feeling like masters of the universe!

## Go Medieval

**Ages 8–10**

Attention all young lords and ladies! Spend your summer days in the Middle Ages. Develop the skills of the medieval armourer, learn the secrets of the manuscript maker, and practice the craft of the stained glass artisan. Voyage to far off lands and encounter characters, legends, costumes, and arts of different cultures from the Medieval Times.

# AFTERNOON OPTIONS

## Animal Adventures

Age 5

Incredible insects, magnificent mammals, and fantastic fish are some of the cool creatures you'll meet on your ROM animal explorations. Whether it's journeying outside to look for animal tracks or participating in the Animal Olympics, our creative nature-inspired crafts and activities will awaken your wild side.

## Call of the Wild

Age 5

From hissing cockroaches to flashing fireflies, discover the ins and outs of animal communication. Choreograph a bee dance, imitate your favourite bird calls, and join in a wolf-howling expedition. Creative projects, crafts, and games will unleash your wild side!

## Art Express

Age 5

All aboard for a global art-venture! First stop Ancient Egypt, where the magic of the Nile will inspire the recreation of a Pharaoh's temple. In ancient China, land of Imperial Palaces and celebrated dragons, add your touch to a Chinese zodiac mural. No corner of the Museum will be missed and no facet of the arts overlooked as you act, draw, paint, and sculpt your way around the world.

## ROM Sense

Age 5

Discover a whole new world of sensations as you explore the ROM's amazing galleries. On your safari of the senses you will spot the queen bee, sniff spices from around the world, touch medieval treasures, listen to a peaceful forest, and taste treats fit for an Egyptian Queen. Your sensational adventures will stimulate and inspire your sixth sense: wonder.

## Treasure Chest

Age 5

The ROM is full of timeless treasures just waiting to be discovered. What amazing artifacts or surprising specimens will you find in the magical museum chest each week? Tools for a dinosaur digging expedition? Wings to take you on the flight of a bumble bee? A protective amulet to wear on a journey to ancient Egypt? Night vision goggles to help you see in the Batcave? Your incredible adventures will stretch your imagination and inspire stories, crafts, and artwork.

# AFTERNOON (CONT)

## ROM Sport Jr & ROM Sport

Ages 6–7 & Ages 8–10

Discover the ancient roots of modern sport. From Sumerian wrestling and the first marathon, to tossing the caber and the origins of hockey, sample the games, pastimes, sporting events, foot races, feats of strength, and contests of skill of ages past. Develop coordination and teamwork skills while having fun participating in high-energy, low stress event days like *Olympics* or *Splash Sports*.

## Made in Canada

Ages 8–10

Towering Northwest Coast Totem Poles, a ravenous Albertosaurus, dazzling diamonds, and glittering gold nuggets—some of the coolest things in the ROM come from right here in Canada. Explore our country's rich heritage as you recreate a voyageur canoe, pan for gold like a Yukon prospector, or craft an Ojibway-style beaded band.

## Magnificent Mosaics

Ages 8–10 & 11–14

Tell stories with little bits of colour as you uncover the beauty of mosaics. Visit the Middle East, Rome and Byzantium, as you trace trade-routes and learn how different technologies spread across the world. See how they decorated sacred spaces and homes in ancient times, then see if you can find any modern ones in your everyday lives. Work with ceramic, stone and glass as you construct your own magnificent mosaic creations.

*Also offered as a Full Day program for ages 11–14*

## Modern Monsters

Ages 8–10

Gather 'round as we study the history of monsters in myth and investigate the origins of some of the modern monsters we hear about today. From Minotaurs to Sasquatch, and dragons to Nessie, we'll explore science, storytelling, and art to learn about the life of fantastical monster tales of the modern world.

## All the ROM's a Stage

Ages 8–10

Places everyone! Prepare yourself for a journey of the imagination and bring the ROM's exhibits to life. Our special theatre school will draw on the Museum's rich cultural and dramatic back drop to enhance your acting abilities through training in the voice, movement, expression and dialogue. All you learn will culminate in a final performance worthy of a Shakespearean stage.

## Ancient Armies

Ages 8–10

Discover the mysteries of Emperor Qin's terracotta army, cross mountains with Alexander, march with a Roman legion, study strategy with Thutmosis. From the stone axe to the advent of firearms, explore the people, weapons, tools, armies, and tactics that leaders used to expand their empires and outwit their enemies. Examine genuine and reproduction arms and armour, hear about historic battles, and see what it took to be the greatest ancient armies.

## ArchiTreks

Ages 8–10

Use the ROM as a launching point as we study architecture old and new. From ancient fortifications, to funerary monuments, to cutting edge museums, architecture has shaped the world around us. Put on your walking shoes and join us as we trek around the city learning about the history of man-made structures and how they have evolved into the city around us.

## Dino Days

Ages 8–10

Spend the day exploring the every day lives of the most awesome creatures ever to have walked the earth, and the amazing palaeontologists who search for them millions of years after their extinction. How do they get fossils from the badlands of Alberta to galleries in museums around the world? Which dinosaurs were solitary, which hunted in packs, and why? Pick sides in the greatest cretaceous battle of all: Giganotosaurus versus Tyrannosaurus Rex! If all you think about is dinosaurs, then Dino Days is for you!

## Nature Quest

Ages 8–10

## Summer Club Combo

Ages 8–10

Can't decide whether to fulfill your flare for the artistic or test your inquiring mind? Why not do both in this exciting take on the classic Summer Club experience. Sample a smorgasbord of topics inspired by the ROM's galleries, collections, and research. Spend your mornings roaming the ROM to explore world arts and cultures that will inspire your own artistic creations and then head outdoors in the afternoon to discover a world of scientific investigation.

## Archaeology 101

Ages 11–14

Many ROM artifacts came from far-away archaeological sites. Learn the fascinating stories behind their discovery and re-create the methods of their excavation in this hands-on course. Try your hand at reconstructing pottery vessels, forming flint tools, conducting faunal analysis, and laying a grid. Meet a ROM archaeologist and discover if you have what it takes to survive on a real dig.

## Dungeons & Dragons

Ages 11–14

Let your imagination loose as you join us on a new campaign in the ever-popular role-playing game, Dungeons & Dragons. Learn about myths, monsters, and weapons from the actual cultures upon which the game is based. Using ROM galleries and collections as inspiration, work with the partners on your campaign to create characters, build models, and strategize your way to victory.

## Eco-Ambassadors

Ages 11–14

We all have a part to play in the care of our planet. Using the ROM's galleries, learn how life is diverse, interrelated, and in crisis. Travel through ecosystems and study the interconnections of species and habitats. Then see how your daily decisions can make a difference in the conservation of our environment. How can you be an ambassador for the environment every day?

## Lights, Camera, Action!

Ages 11–14

Take a story idea from concept to finished flick in the two-week crash course on film and video technique. You'll learn about lighting, storyboards, animation, scripts, shooting, titles and non-linear editing — just like the pros. An effective mix of film theory, appreciation and hands-on practice will have you calling the shots in no time.

**REGISTRATION BEGINS

## Museum Makers

**Ages 11–14**

A museum is more than a building filled with beautiful objects and amazing specimens. Using the ROM's galleries and staff as your guide, find out what it takes to make a museum great. Follow the process from concept to creation as you plan and build your own collections, learn about museum conservation, try your hand at exhibit design, and create an ad campaign to showcase your work. Don't forget your opening gala!

## Portfolio Primer

**Ages 11–14**

Build your portfolio as you find inspiration from the ROM's diverse galleries. Learn the fundamentals of art techniques from drawing to printmaking and get comfortable with various media including pencil, pastel, and paint. Once your portfolio is primed and ready, it's time to share your work with an exhibition.

## Leadership

**Ages 14–16**

Join up for our Leadership program and improve your confidence, communication skills and ability to work with a team. Real hands-on experience working with the children, Assistants, and Instructors in our Summer Club programs will reinforce exercises in problem solving, motivation and conflict resolution. You'll also get a chance to meet with museum professionals and learn about museum careers. Graduates of this program will be considered for volunteer assistant positions in next year's Summer Club.

# CONSENT FORM

I/We, the undersigned hereby acknowledge that certain Summer Club activities include excursions by foot, chartered bus and TTC to other places, including other public museums, historic sites, conservation areas, public parks and sports facilities. I/We hereby warrant that my/our child is physically and psychologically fit to participate in off-site activities outside the Museum and understand that the choice to participate brings with it the assumption of those risks and results which are part of these activities.

I/we agree that the Royal Ontario Museum (the "ROM"), its trustees, officers, directors, employees, agents and independent contractors shall, in no event, be liable for any injury to my/our child's person or loss or damage to my/our child's personal property of any kind, including direct, indirect, special, exemplary, consequential, multiple, punitive or other damages, arising from or in any way resulting from my/our child's participation in these activities, whether based on warranty, contract or tort, whether or not reasonably foreseeable and whether or not advised of the possibility of such damages, unless such injury, loss or damage is caused by the sole gross negligence of the ROM or of its trustees, officers, directors, employees, agents or independent contractors while acting within the scope of their duties.

I/we understand that video production and/or photography may be conducted during the Program. I grant full and irrevocable consent to the Royal Ontario Museum and those acting under its permission or upon its authority, the unqualified right and permission to reproduce, copyright, publish, or otherwise use my child's photographic likeness. No personal identifying information (i.e. name/address) would be associated with the use of the image.

The collection of Personal information is governed by the Freedom of Information and Protection of Privacy Act (FIPPA). Should you have any questions regarding privacy provisions, please contact Jovanna Scorsone, Program Coordinator, 416.586.5804.
