CONSENT FORM

I/We, the undersigned hereby acknowledge that certain Summer Club activities include excursions by foot, chartered bus and TTC to other places, including other public museums, historic sites, conservation areas, public parks and sports facilities. I/We hereby warrant that my/our child is physically and psychologically fit to participate in off-site activities outside the Museum and understand that the choice to participate brings with it the assumption of those risks and results which are part of these activities.

I/we agree that the Royal Ontario Museum (the "ROM"), its trustees, officers, directors, employees, agents and independent contractors shall, in no event, be liable for any injury to my/our child's person or loss or damage to my/our child's personal property of any kind, including direct, indirect, special, exemplary, consequential, multiple, punitive or other damages, arising from or in any way resulting from my/our child's participation in these activities, whether based on warranty, contract or tort, whether or not reasonably foreseeable and whether or not advised of the possibility of such damages, unless such injury, loss or damage is caused by the sole gross negligence of the ROM or of its trustees, officers, directors, employees, agents or independent contractors while acting within the scope of their duties.

I/we understand that video production and/or photography may be conducted during the Program. I grant full and irrevocable consent to the Royal Ontario Museum and those acting under its permission or upon its authority, the unqualified right and permission to reproduce, copyright, publish, or otherwise use my child's photographic likeness. No personal identifying information (i.e. name/address) would be associated with the use of the image.

The collection of Personal information is governed by the Freedom of Information and Protection of Privacy Act (FIPPA). Should you have any questions regarding privacy provisions, please contact Jovanna Scorsone, Manager of Children's and Family Programs, 416.586.5804.
