

JOIN A COMMUNITY OF CULTURE, CURIOSITY, AND IMPACT

ROM is a world-class destination to engage with art, culture, and nature, helping our communities better understand their world and each other.

Royal Patrons Circle members are among the Museum's most dedicated supporters, playing an essential role in this mission. Their generous and steady support helps fund special exhibitions and permanent galleries, curatorial leadership, research initiatives, and educational and community outreach programs.

As a Patron, you will experience this impact firsthand, engaging with ROM experts and offerings up close, while joining a community of like-minded individuals who share a passion for lifelong learning and enriching cultural experiences.

And by supporting the Museum today, you will help ensure ROM remains a leading destination for learning and discovery for generations to come.

Join us—your ROM story starts here.
