

Wildlife Wonders: A Journey through the Galápagos

March 24 to April 1, 2027

A ROMTravel Art, Culture and Nature Trip
The “La Pinta”

Your Adventure Canada Experience

Immerse yourself in the wonders of nature. Travel alongside scientists, historians, and naturalists, who share their passion and experience with you.

Adventure Canada’s expeditions are more than phenomenal expeditions of a lifetime. They are lifelong learning journeys for the heart and mind. Your expedition is an immersive experience both on and off the ship.

Our shipboard program is educational and fun. You can join daily presentations, that provide perspective and understanding. Our expedition staff, experts in their fields, are approachable, available on deck and at meals, and always on shore during excursions. Our unique mix of entertainment and camaraderie is integral to our daily gatherings and learning opportunities.

Each day, your onboard and onshore programming is thoughtfully planned to make the most of the local environment. Hiking, wildlife viewing, historic sites, and panga (like a Zodiac) cruising are regular activities. You can spot wildlife from the deck, take care of yourself in the ocean-facing fitness room, or unwind with a great book from our onboard Natural History Library. You choose the activities that are best suited to your abilities and interests.

Learn from the Locals

Adventure Canada has a myriad of connections in the regions we visit. Nothing beats being welcomed as an honoured guest. Esteemed local guides connect you to our destinations, their people, and culture. Personally!

Safety First, Experience Foremost

You are in good hands. Our expedition staff are experienced, attentive and knowledgeable. They will ensure your comfort and safety, then enlighten, inspire, and entertain you!

Our expedition team is at the heart of our programming, and there is something for everyone! Join our staff in presentations, workshops, Question and Answer sessions, and more.

Enriching Expeditions in Spectacular Locations

Your Personal Voyage of Discovery

Explore and learn about new lands and people as you experience the rich culture and fascinating landscapes to which we sail. Take the road less travelled and enrich your perspective during visits to communities, natural habitats, and historic sites that can be otherwise difficult to reach.

Our expeditions are designed to be flexible and allow us to make the best of Mother Nature's conditions. We often make landfall at new places and are able to share new discoveries and local knowledge with you. Your voyage will be

marked with thoughtful discussions, expert interpretation, and the spirit of discovery.

Get off the ship, get into a panga!

Search for marine mammals. Wander remote coastlines. Simply enjoy the freedom of being out on the water daily! Our goal is to get you off the ship, as often as possible.

Figure 2: A panga expedition. © Daniel J. Catt, 2007.

Pangas free us from the dependency on ports, piers, and other man-made infrastructure. These safe, stable, versatile boats take you where the action is.

Learn from Passionate Experts

Why would an esteemed Canada Research Chair, for example, travel with us on a working vacation? It's simple. They can't resist the opportunity to engage, excite, educate, and enlighten you! Make the most of every learning opportunity, aboard and ashore, in geology, botany, marine biology, archeology, photography, cultural history, and more!

Our handpicked experts are as excited as you are to be on board. Join them on deck searching for wildlife, share daily meals for personal in-depth conversations, participate in workshops, attend presentations, and learn on the land. The Adventure Canada team has a deep love for discovery, learning, exploration, and growth, and is at your service.

Wildlife Encounters

Daily excursions with expert guides put you where you are most likely to see wildlife. Whether viewing on deck, in the panga, or learning during our presentation series, you will come away with an appreciation for the fine creatures that inhabit our world. Our best practices ensure the safety and integrity of the wildlife we have the privilege to view.

Ship Overview

Figure 4: "La Pinta". © Adventure Canada.

Capacity 48 passengers

Length 63 metres (207 feet)

Registry Ecuador

Built in 1982; refurbished in 2019.

Imagine waking up to breathtaking sea views through your cabin window, whispering promises of adventure. This ship sails with a lighter carbon footprint than most expedition vessels.

Its crown jewel? A glass-enclosed observation lounge and bar with sweeping views, perfect for whale watching and seabird spotting. Prefer the outdoors? The open decks are a dream for photographers and scenery lovers.

With a shallow draft and easy access to pangas and a glass-bottomed boat, you'll spend more time exploring and less time ferrying. Need to head back to the ship mid-

excursion? No problem. Simply return to the landing site, and we'll whisk you back in no time. More adventure, less waiting—that's the "La Pinta" way!

Meals feature open seating and ocean views, with globally inspired options to suit all tastes, including vegetarian and fish dishes. Desserts, made fresh daily, are a highlight. Special diets? We've got you covered! On the "La Pinta", every moment connects you to nature, each other, and discovery.
