ABOUT THE ROM IMMORTAL GALA

The ROM Immortal Gala serves as an annual signature fundraising event to support ROM's ongoing curatorial and community programming.

Inspired by and grounded in ROM's world-class collection of artworks, cultural objects and natural history specimens, the Gala celebrates the outstanding achievements of those who have defined themselves in their field.

Following its celebrated debut in 2025, the ROM Immortal Gala returns for an evening unbound—an immersive night at the Museum offering exclusive after-dark access to some of its most iconic galleries and spaces. A newly imagined lounge experience sets the stage for a dynamic and unforgettable celebration inspired by Forces of Nature.
