Accessibility  
Map Guide

ROM

ROM is committed to accessibility for all visitors. Access to our collections and information resources is one of our primary and defining responsibilities.

We recognize the diversity of our visitors' abilities and needs, and offer a variety of programs and services to ensure the accessibility of the Museum and its collections.

### **Support Persons**

We have developed an Admission Policy that provides free admission to support persons who will be assisting and accompanying persons with accessibility needs throughout the Museum. Please check our Ticket Information for details.

### **Access 2 Entertainment Program**

ROM is proud to be a partner of the Access 2 Entertainment Program administered by Easter Seals Canada. This program provides a dignified and positive entertainment experience for persons with accessibility needs who require the support of an attendant. See [easterseals.ca](http://easterseals.ca) for more information.

### **Entrances**

The Bloor St. Entrance is level with Bloor Street and features automatic sliding doors. The Queen's Park Weston Entrance features a ramp and push button automatic doors. School groups may use the President's Choice School Entrance, located at the south end of the building on Queen's Park, and is equipped with an automatic door. This entrance can be accessed by a ramp with handrails by the planetarium.

All entrances feature an off-loading layby to drop off and pick up visitors with accessibility needs.

ROM has a board policy of Public Access and is a leader in implementing the Accessibility for Ontarians with Disabilities Act (AODA).

For more information on accessibility at the Museum, please visit [rom.on.ca/access](http://rom.on.ca/access) or contact:

Tel: 416 586 5682

E-mail: [accessibility@rom.on.ca](mailto:accessibility@rom.on.ca)

### Wheelchairs

A limited number of manual wheelchairs are available at coat check, free of charge, with identification. No reservation required.

### Assistive Listening Devices

An induction loop system is installed in our admission desk. Hearing aid wearers with a “T” (telecoil) setting, can request FM assistive listening devices (neck loops) for special tours and lectures.

### Tactile Objects

A number of permanent galleries feature bronze replicas of artifacts mounted on plinths with Braille labels.

### Tactile Books

Tactile books, available for some exhibitions and some collections, can be reviewed on-site at the ROM library.

### Audio Description

Available for selected exhibitions, the ROM Audio Description collection can be reviewed by visiting [rom.on.ca/audio](http://rom.on.ca/audio)

### Sensory Friendly Guide

Visit our website for helpful tips on preparing for your Museum visit. The ROM MagnusCards digital app is also available online.

### Accessible Parking

Paid parking lots within walking distance of the Museum

- 9 Bedford Road, north of Bloor Street, west of Avenue Road
- 37 Yorkville Ave, north of Bloor Street, east of Bay Street

The parking lot at 9 Bedford Road has accessible parking spots available and the facility is wheel-chair accessible by elevator.

### Public Transit

St. George is the closest accessible TTC station and located one block west of the Museum. Please note that Museum station is not wheelchair accessible.

### Visitor Information

If you have specific questions or concerns, please contact ROM in advance of your visit at: 416 586 8000

Bell Relay Service (for visitors who are d/Deaf, deafened and hard of hearing): 711 or 1 800 855 0511

### Hours of Operation

Daily: 9:30 am – 5:00 pm

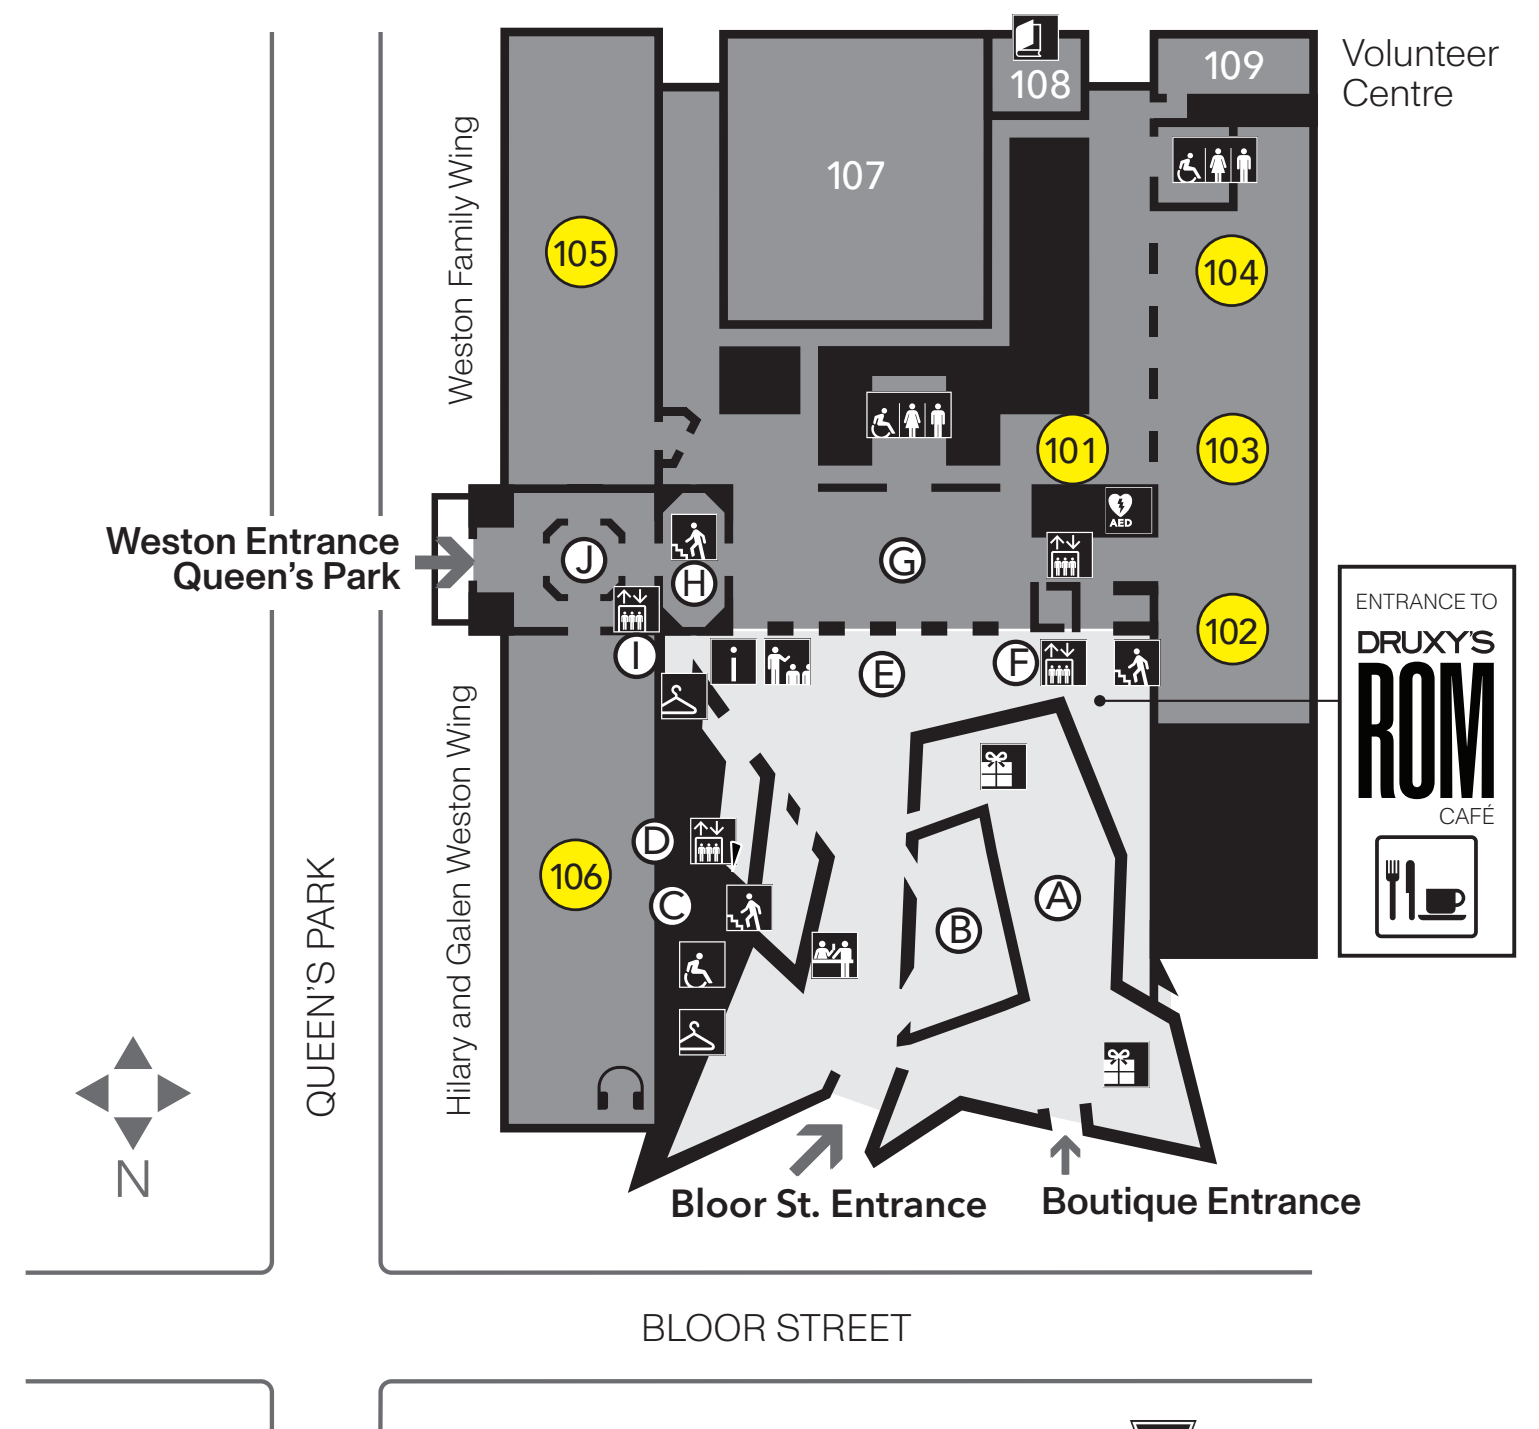

The switchboard is operated by bilingual employees.
