We create chemistry

LEVEL 1

Spring Stories

Currelly Gallery

How do you celebrate spring?

Spring Equinox Traditions & the Year of the Rabbit

China Gallery

Test old myths, and learn about other traditions.

BASF Kids' Lab: Invisible Ink

Makerspace (weekends only)

LEVEL 2

Spring in Space

Earth's Treasures Gallery

Explore how spring happens and see space rocks.

Fossil Rubbing the Prehistoric Past

Dinosaur Gallery

Uncover fossilized creatures to discover their prehistoric past.

Seek & Find Spring Activities

Earth Rangers Studio

LEVEL 3

Holi Flowers

South Asia Gallery

Holi is the festival of colour which celebrates the end of winter – create a colourful flower of your own.

Flora of the Ancient Mediterranean

Rome Gallery

The word flora is the Latin name for the Roman goddess of spring.

Grab a trail guide and search for flora.
