Opened in 1914, Canada’s largest museum of natural history and world cultures has six million objects in its world-class collections and stunning galleries showcasing art, archaeology and natural science. It’s an essential destination for unforgettable insights that reveal how the earth and its cultures have evolved, and how the changes we face today will shape the world we’ll live in tomorrow.

By supporting the ROM Classic Golf Tournament, you will:

- Align your name or company with the Museum and its community of philanthropic and business leaders
- Support an iconic Canadian institution, with a world-class collection and team of internationally-renowned experts and scientists
- Help the ROM continue to inspire wonder and discovery as one of the largest extra-curricular educators in Canada and the largest field research institution in the country

All proceeds will support the ROM’s highest priorities, which help bring engaging exhibitions, public programs, ground-breaking research and educational initiatives to life. Thank you for your support.
