ENJOY YOUR VISIT

Enjoy the ROM!

Welcome to the ROM, one of the world's leading museums of natural history and world cultures.

Inside the ROM you'll find more than six million unique objects. To make it easier for you to discover all that the ROM offers, we've introduced eight Centres of Discovery: Ancient Cultures, Biodiversity, Contemporary Culture, Canada, Earth & Space, Fossils & Evolution, Textiles & Fashions and World Art & Culture. Each Centre focuses on one theme and connects you to our curators and experts, the latest research and more so you can get the most from your ROM visit.

You can extend your ROM visit by connecting with us online. You'll receive the latest updates on new discoveries, find out about our programs and events and get exciting exhibition announcements.
